The Mason LINE

by Chan Mason

Mrs. Fred Ward who lives on Sweetwater Road called us the other day to tell us of an old fashioned custom she recently revived. Seems that the Wards have lived in their present location for some four years and like most Californians, knew even their closest neighbors only casually.

Deciding it was high time she remedy the situation, Mrs. Ward took a morning off to make a friendly call on a few of her neighbors. The neighborly overture has developed a warm friendship between some very nice people, who except for someone making the initial effort, would have remained virtual strangers.

—ML—
The above episode reminds us of our first year in New York City, a good many years ago. This country boy was mighty discouraged and lonesome until we broke with the provincial tradition that exists in the Big Town and went calling on our adjacent cliff dwellers. Sure, we got the glassy stare once or twice, but we did meet a couple of equally bucolic lads fresh out of the University of Oregon. That little venture culminated in the three of us leasing an apartment. We roomed together for some five years.

Later we added a Southern representative from North Carolina, Suh. And while this rebel was the first victim to become enmeshed in the marital net, we are proud to be named the godfather of his first son.

—ML—
We hadn't planned to make this an autobiography, but it is just our feeling that good neighborliness such as Mrs. Ward possesses can lead to some very rewarding experiences.

It could be, with all the recent bitterness stirred up over incorporation, unification, and sanitation, that this might be a most appropriate time to try this lady's recipe.

—ML—
Aside to the Bridgers of Monterey Heights: the food and clothing you and your neighbors collected will be delivered Saturday to our mutual friends in Mexico. Hope to get a picture of their expressions when they accept all those nice things.

—ML—
Helix High graduates are still performing noteworthy deeds. Ed Tilling and Stan Davies have again won scholarships.

Ernie Merck and Carlos Fackrell, gridiron teammates at Helix a couple of years ago, performed on the same field in last Saturday's Cal-USC game. Ernie for USC and Carlos for Cal. Tom Harmon's telecast singled out Carlos as the game's outstanding lineman.

—ML—
AWARD OF THE WEEK
Grossmont High's cheerleader and ASB president, who even though his team was hopelessly beaten 31 to 7 as late as the third quarter, kept his cheering section in a frenzy of excitement until they lifted their team to such heights that the final score was a respectable 38 to 25 in favor of Sweetwater.

EDITOR TO GET RADIO INTERVIEW

The editor of the REVIEW, Max Goodwin, will be interviewed Tuesday on the state of the Lemon Grove community over radio station KGB.

Interviewer will be "Margie," radio personality who has a program every week built around Lemon Grove businesses and activities. Times of the broadcast Tuesday will be 12:05 to 1 p.m. "Margie" is billed as KGB's "personality girl." Goodwin writes a weekly column titled "The Dimmer View."

Food at Tables—Indoors, Too—at Golden Avenue Halloween Carnival

There's big news at this year's Golden Avenue Halloween Carnival. You can eat indoors, at tables! The food remains the best eatin' ever, but it can be eaten in a warm room while you're resting your feet. No more wishing for three hands while juggling coffee, beans and hamburgers!

Also new is a "Treasure Tub" for the very young and a "Balloons Shave" for the high-heeled and whiskers set. If you can shave the latter off a blown-up balloon, there's a prize for you.

The carnival will be open at 5 p.m. and at 7 p.m. the parade of all costumed children will start. Plan to attend the next Monday evening on the lot behind the cafeteria.

This is how Lemon Grove kids reacted to Uncle Russ, tv personality, during Lemon Grove Days held earlier this month. Turnout for the event led the Merchants Division of the Chamber of Commerce to spearhead a community Christmas event.

Representatives from most all clubs and organizations met last week to set up plans for a Christmas party which would have emphasis on kiddies' activities. Santa Claus, free candy and free gifts would be part of the project.

Here We Go Again—Men's Club to View Annexation and Incorporation

Increased taxes, higher utility rates, and inescapable sales tax became a platform for a heated discussion Friday at the Men's Club. Solutions to these problems, the membership decided, could only be resolved through annexation to a corporate city or incorporation of Lemon Grove. Some of the possibilities discussed included annexing to La Mesa, incorporation with Spring Valley, and annexation to San Diego, but it was generally agreed that the community could not long remain in its present condition.

Chairman Bert Betts referred to the Lakewood Village Incorporation and said a discussion of their operation would be held this Friday. Consideration, he said, should also be given to forming a unified school district in the interest of cutting school administrative costs and reducing taxes. Bert Betts is chairman of the Lemon Grove school board.

Incorporation was soundly defeated in an election of January of this year. Unification was defeated the year previous.

L. G.-S. V. Bus Allowed Rate Increase

LOS ANGELES—The California Public Utilities Commission today authorized the San Diego Economy Line, a small bus service operating between San Diego and the Mt. Helix-Homeland area, to increase its minimum fare from 10 to 15 cents.

The order, effective Oct. 28, also permits the company to eliminate some reduced round-trip fares and to relocate several fare-zone points.

The commission estimated that the company would earn a net annual income of \$750 under the new fares, as against a \$1500 loss under the present fare structures.

Help Needed as Xmas Post Office Rush Time Nears

The Lemon Grove Post Office is getting ready for Christmas. They will employ between 20 and 25 additional people. Applications will be accepted until November 15, 1955. Veterans will be given preference; those with ten points, five points, and non-veterans, will be hired in that order. Those selected to do clerical work will be required to learn and pass a scheme examination with a grade of 90%.

Incidentally, now is the time for mailing Christmas parcels to service personnel overseas, and to foreign lands. November 15 is the deadline for assurance of delivery by Christmas. Size limits are 70 pounds and 100 inches combined length and girth. Any articles mailed after November 15 may go air mail. The limit to service people is two pounds and 30 inches per parcel.

All Christmas mail to the eastern part of the U. S. should be made by December 10, to arrive in time for delivery before Christmas. The limits to a first class post office are: 20 pounds and 72 inches combined length and girth. To a very small post office or on a rural route, 70 pounds and 100 inches.

"Yield Right-of-Way" signs, authorized by new laws, require motorists to cut their speed to a maximum of 15 miles per hour before proceeding across an intersection marked by one of the signs.

Lions Halloween Party Set For Saturday

On Friday the senior members of the Lemon Grove Woman's Club will entertain the Junior membership at 1:30 p.m. at the clubhouse. Jean Eskridge and Mickey Gist will present dance numbers in gypsy costume plus other entertainers. The Halloween motif will be carried out in decorations on the stage and through the clubhouse. Hostesses, Mrs. T. M. Best, chairman, Mrs. George Nietmann, Mrs. H. E. Havens and Mrs. A. J. Henry.

Savings-Loan Official Attends Loan League Conference

John A. Davis, president of the La Mesa-El Cajon Savings and Loan Assn., with offices at Broadway and Imperial, attended the National Savings and Loan League's 1955 fall conference at the Shamrock-Hilton Hotel, Houston, Texas, earlier this month.

Mr. Davis is a member of both the Economic Policies Committee and the State Reserve Fund Committee.

'Success' Drive Stands At 'Unsuccessful' 9.7% in Lemon Grove

With the United Success Drive past the half-way mark, the corps of volunteer workers in the Heartland Division were kept busy this past week reaching for this area's goal of \$77,777 for 1956 services of all Red Feather agencies.

"More than 25,000 children are on the waiting list and depending on us to provide them with the necessary care through the Red Feather agencies," Arnold J. Phillips, area chairman said.

"If all of us will just give our fair share, these children's needs will be taken care of."

Working with Phillips is W. Earl Smart, Lemon Grove division chairman; Ted Skelley, business group chairman, working with Ray Pruttee, R. L. Lane, Jerry Mather and Marshall Adams as campaigners for the Lemon Grove business group; Mrs. Andrew H. Rehberger and Mrs. George I. Teigen, geographic group chairman for Lemon Grove, and Edward A. Singer, public employees group chairman for the Lemon Grove area.

In yesterday's report commerce and industry and business had a total of \$155.00 or 2.1% of their division quotas. Geographic, schools, and public employees start at \$1,237.00 or 17.3%. The big drive as a whole had brought in contributions totaling \$1,392.00 or 9.7% of the \$14,250.00 goal.

Mrs. Andrew H. Rehberger and Mrs. George I. Teigen, geographic co-chairmen for the United Success Drive in Lemon Grove reported that slightly over 30% of the quota for Lemon Grove has been reached, including \$38.00 taken in the Plaza on October 22.

Boy Scout Troop 108 set up several exhibits and gave demonstrations during the afternoon. Girl Scout Troop 475, Mrs. O. V. Brandt, leader, contributed their weekly dues to the campaign.

The chairman wish to thank Boy Scout Troop 108 for their co-operation and the Lemon Grove Woman's Club Juniors, who manned the booth.

Business People to Meet Tuesday to Jell Christmas Party Plans

Representatives of the Business Women's League, the Chamber of Commerce and the newly formed Junior Chamber of Commerce met with the Merchants Division of the Chamber of Commerce Monday night to formulate plans for a gigantic Christmas program for Lemon Grove. Plans call for participation of these organizations, together with assistance from all Lemon Grove service clubs, to bring to a reality the greatest holiday program in the community's history.

Santa in person, personal appearances of tv celebrities, a mammoth children's party in the Plaza area, elaborate Christmas decorations for the city's business district, valuable prizes for the children plus huge quantities of candy to be distributed—are some of the features. Wide coverage of the event through radio, newspaper, television and direct mail, beginning early in December, will assure ample advertising. The entire project is being shaped similar to the Lucky Lemon Days recent promotion. However, instead of many organizations staging individual Christmas events, all would pool their talents and resources for one huge package event.

Another meeting will be held next Tuesday night at Justice Homeland building to complete final details. This will be a joint meeting with the Chamber of Commerce. Time is 7:30 p.m.

Money Doll to Be Given in BWL Christmas Fund Raising Event

By MRS. ABE GOLDBERG

Christmas Carol is the name of the money doll to be given away by the Business Women's League of Lemon Grove on Thursday, December 22, as part of their Christmas fund raising plans. Mrs. Alfred Huebsch is general chairman of the committees cooperating on the project. Mrs. Vera Chaffee, a member of the league, has dressed a beautiful doll in currency of many denominations totaling one hundred dollars, and an additional surprise amount has been included in the purse carried by the doll.

Mrs. James Oyler, ticket chairman, and her committee have distributed tickets to the various merchants of Lemon Grove and to the league membership. Tickets are selling for fifty cents each.

The funds raised from this project, plus monthly donations by merchants and private individuals of Lemon Grove, are used to beautify the Plaza ground extending from North to

Central Avenue on Imperial and Main Streets. Improvements that have already taken place on the Plaza grounds include: planting of shrubbery and grass on the West and East side of the Plaza over Broadway, planting of a huge evergreen tree which is lighted each Christmas season for the pleasure of the community, installation of a sprinkler system for the entire area, and the daily services of a gardener to maintain the grounds. Resurfacing and planting is now progressing on each side of the railroad tracks toward North Avenue. Many can remember the condition of the entire Plaza grounds before the Business Women's League of Lemon Grove accepted the challenge of beautifying this area.

Christmas, 1954, the league gave away a doll house valued at \$600.

The doll may be seen in the downtown business establishments, the location varying each day as requests from merchants come in for the showing of the doll.

There are still some people who won't use advertising to sell goods; the fact that all highly successful big businesses have used it well fails to make a dent.

REBEKAHS SCHEDULE WEDNESDAY MEET

HALLOWEEN CARNIVAL SET FOR AUDUBON

Costume parade at 5:30 p.m. Monday at Audubon School will start the festivities of the Halloween Carnival. Supper for the family can be purchased reasonably, so come early and enjoy the games of skill, sizzling hot dogs, hot coffee, a bit of dancing and a place to sit and rest your tired "dogs."

Dads—put the tired tv to bed early and bring the family out for an evening of fun.

Third Annual Fashion Show to Benefit Swimming Pool Fund

The Third Annual Fashion Show of the Lemon Grove Woman's Club Juniors on November 5 will again benefit the Lemon Grove Swimming Pool Association. Last year the club donated \$2000 to the Swimming Pool Association after their fashion show which was held in the spring. This coming fashion show has as its theme "Holiday Magic" and will be the only fashion show held by the club during this club year.

It is the first fashion show the Juniors have presented that features only fashions from local Lemon Grove merchants. This makes the show for the first time a completely local project. This fashion show has always been exceptionally well attended and last year it was necessary to have two shows, one in the afternoon featuring a luncheon and women's and children's styles and an evening show featuring women's and men's styles and a dessert. The same policy will be followed this year with one show beginning at noon and the other at 8 p.m. Both shows will be held in the Junior High School Cafeteria.

Among the stores participating are Marsi's, Evelyn Wigton's, Highlander, Lane's, Lowe's, Tugery, the Lemon Grove Department Store and the Style Shop. Tickets may be obtained from any member of the club or by contacting Mrs. Tom Mitchell, HO 6-1382, ticket chairman. Mrs. Eugene Johnson is this year's chairman of the show.

Grossmont Hospital Auxiliary to Take Part in 3 Day Convention

By MARY LANDESCO

The Women's Auxiliary of Grossmont Hospital will play several parts during the three-day convention of the California Hospital Association, to be held in U. S. Grant Hotel October 26, 27 and 28.

On Thursday the Council on Women's Auxiliaries of the California Hospital Association will hold a meeting in the Ward Room of the U. S. Grant, starting at 9:30 a.m., and including a 12:30 luncheon. At 2 p.m., Mrs. J. Foster Coats, president, Grossmont Hospital Women's Auxiliary, will speak on the organization of a woman's auxiliary prior to the opening of a new hospital, followed by Louis Peelyon, Grossmont Hospital administrator, speaking on the advantages of so doing.

Both Mrs. Coats and Mr. Peelyon will use the hospital's auxiliary as an example. It is unique in having completed three years of work at the time Grossmont Hospital was opened. Indeed, the auxiliary went to work before anyone knew there would be a Grossmont Hospital, spearhead-

The Dimmer VIEW

By MAX GOODWIN

It is a mighty comforting thought that our civil defense organization has plans set up for the protection of you and your family when and if the bomb is dropped in San Diego county.

If such is your belief, you'd jolly well better disabuse yourself of that fictional state of mind because, for all the plans you've been reading about, the truth is that in an atomic emergency you and your children would be dead within a week or less and mostly because of the woeful inadequacy and inability of the civil defense people, program and plan.

To prove you've been lulled into a false sense of security, regardless of whether it's your own apathy or the shortcomings of the program, let's make a potentially possible condition—say for instance the bomb dropped this morning.

Now where are you all going? To Campo, of course. Well, not exactly, because Poppa is supposed to go another direction. Over toward La Mesa, I think. He'll meet his family later... more than likely at graveside if their sun bleached bones can be identified as his family members. Momma and the two kids up in their auto which has already been supplied with the emergency kit civil defense people were supposed to warn you about. Of course you don't have such a kit because the defense agency didn't properly publicize it, and why should they? You're not their family. They completed their job when they made the plans.

So you are on your way to Campo in the family auto with the man in the family over in La Mesa or someplace. Campo is about 35 miles east of Lemon Grove. I recently made the trip to Campo to see what defense potentials are offered. In my opinion they could house about one thousand families in weather-beaten old barracks if every one slept spoon fashion. Food? One defense official said "We've got these cattle" with a wide sweep of his arms. I saw one scrawny old cow grazing moodily up at the Camp Del Campo, the bad boys' concentration camp which makes up part of the defense plan installation. Food stockpiling by defense people is forbidden by law.

Actually you oughtn't to worry too much about the poor facilities at Campo because you're not going to get there. That winding, tortuous road is supposed to carry 18,000 cars to Campo, souls who will head for the civil defense sanctuary. As I studied the plan I discovered that this little more-than-single-lane route is to move not only Lemon Grove residents, but all the people who live along Imperial Avenue, south into Market Street area and those who live in downtown San Diego as far up as Balboa Park. Spring Valley folk have it easy. They are in the "twilight" zone and they stay right where they are while the rest of us are dying from panic and privation.

You don't believe me? Then look here! How much water and food do you have put away in the trunk of your car? Less than 1 of 200 family autos have an emergency food and water supply.

As upwards of 100,000 souls start milling around when all traffic stops because of cars breaking down on the narrow Campo road, and children are screaming for water and food, what parent wouldn't kill you for your jug of water if it could sustain the life of their child just one more day? Me? I'm going to sit in my house with my family and watch them shrivel from radio-activity where at they may die in the dignity of family privacy rather than face the awesome prospects of dehydration or assassination on Campo Road.

Such dark thoughts can earn a writer the reputation of "scaremonger" but what do they call the civil defense people, and you, for this sorry state of affairs?

I have talked to all the local defense leaders including Al Trumbull, Robert Rogers, Les Wadsworth, and Joe Gump who are deputy director, chief warden, assistant director and deputy for welfare respectively. They claim the San Diego program is far ahead of the average of the rest of the nation. I can't force myself to believe this, but if it is so, the Kremlin could get a million Americans to kill another million more just by dropping a plain Fourth of July firecracker on a couple of these poorly prepared communities.

Guess I'll go to that civil defense meeting next month and find out what else is wrong.

The campaigns that resulted in establishing the hospital district and in approving the bond issue that made the hospital possible. It has financed the landscaping of the hospital grounds through benefits and by means of memorials, and the proceeds of its latest benefit are being used to purchase additional surgical instruments.

Starting in 1952 with about 50 members, the auxiliary has grown to a current high of more than 565—many of whom are performing volunteer services, both in the hospital and out.

Lemon Grove Review

Jonathan Manor Inc. 1501 6th Ave., S. D., is to receive contract for building frame and stucco Postoffice 7951 So. side Broadway between Imperial and Grove Sts. Contract for ten years, beginning March 1, 1956.

Robert A. Geier exec. secretary to Congressman James Utt

Well, here it is at last! Lemon Grove will have a new post office next year. The post office will be built by David Sapp, head of Jonathan Manor Inc., on Broadway adjacent to the Salvation Army, across the Street from Luther Hussy's law building. There were two bids, the other being an offer from Jim Banister, head of JMB Corp., for erecting the building next to Mayfair. Sapp said construction would get under way next month.

Above is the artist's sketch of how the future Lemon Grove Methodist Church, to be located at Golden Avenue and Washington Street, will look when finally completed. Architects for the project estimate that this long-range program of building will cost nearly \$280,000 when finished.

The first unit to be built is that shown in the foreground. This unit will consist of a fellowship hall, three classrooms, a kitchen and lavatory facilities. According to Reverend Don Cooke, minister of the church, this first unit will cost approximately \$50,000 including all necessary improvements. Ground breaking ceremonies are set for the near future.

The master plan and the plans for the first unit have been developed by the architectural firm of Victor L. Wulff and Herbert P. Fifield. A contract for construction has been signed with Rex E. Foster, local contractor. Construction will start immediately.

When entirely completed, the church will include an educational wing with room for every grade, office, study and conference rooms, sanctuary, chapel, choir room, and off-street parking lot for 70 cars.

Guest Speaker Set For St. Philip's Episcopal Church

Everyone is looking forward to the Loyalty Dinner Friday night at six when the Reverend Harold B. Robinson of St. Paul's, San Diego, will be the guest speaker.

The monthly meeting of the Altar Guild will be a luncheon with Miss M. Jackson as hostess, Thursday, October 27.

All Saints Day, November 1, there will be a celebration of the Holy Communion at 9:30 a.m., when the Women's United Thank Offering will be presented.

On November 8 Rev. Bartlett will conduct the first session of the Adult Bible Study Class, which will be held the second and fourth Tuesdays of the month. This is a special opportunity for all who are interested in learning to know the Bible better to have excellent instruction.

It is hoped that many people in the community will take advantage of this opportunity, and join with the people of St. Philip's in an evening of fellowship.

JR. HIGH PTA SAYS 'COME TO CARNIVALS'

Halloween carnivals are coming! Next Monday, October 31.

The Lemon Grove Junior High PTA will have a taco booth and also a washer pitch game booth at each of the elementary schools — Golden Avenue, Monterey Heights, San Miguel, and Vista La Mesa.

You are urged to take part and have fun by attending the Halloween carnival at the school in your area.

You can be certain the tacos will be good. Why? Because a practice luncheon was given by Mrs. E. F. Brady, Lemon Grove Junior High PTA president, in her home Wednesday, October 19. All those who are to prepare for and cook the tacos at the various Halloween carnivals next Monday attended. Those taking part in the lessons and also enjoying the results were Mrs. Brady, Richard Wells, Robert Beckham, John Dail, Ralph Nelson, Harold Hoy, Carl Nelson, Charles Taylor, Carl Planchon, Paul Remele, Gerald Holmes, James Hayes, and C. J. McMahon.

M. H. PTA Carnival Plans Readied

The Monterey Heights PTA will stage their annual Halloween Carnival at the school grounds on October 31. Mrs. D. Schlegel is general chairman, with Mrs. Carl Johnson assisting.

Dinner will be served from 4:30 to 7 p.m. with an a la carte supper served during the entire carnival from a booth on the carnival grounds. The booths, 15 in all, will open at 5:30.

The Kiddies' Parade will begin at 7 p.m. There will be continuous movies, and the popular Puppet Show staged by Mrs. Leslie W. Kerner and Mrs. John Overdeer will be the highlight of the evening.

All moms and dads are invited to join the little ghosts and goblins for an evening of fun.

Truth often suffers more from the heat of the defender than from the arguments of the opposer.

St. John of the Cross Halloween Carnival To Feature Hot Dinner

St. John of the Cross Halloween Carnival will be held at the Rodeo Grounds Monday night. A full course dinner featuring meat loaf, tossed salad, vegetable, hot rolls, cake and coffee will be

served cafeteria style in the parish auditorium from 5:30 to 7:30 p.m. The auditorium and tables will be decorated with black cats and pumpkins and fall flowers. The dinner will be 50 cents for adults and 30 cents for children.

Room mothers are in charge of the carnival booths which will be open from 6 p.m. and will dispense cider and doughnuts, ice cream, sno-cones, cake and coffee. In addition there will be a fish pond, fund house, movies and "sponge in the face" booth.

At eight o'clock all those in costume will parade around the basketball court and prizes will be given for the prettiest, funniest and most original costumes. Mrs. Robert Goodbody, room mother chairman, said that all tickets will be three for ten cents.

LETTERS TO THE EDITOR

Dear Sir:

For ten years, the Cerebral Palsy Foundation of San Diego County, Inc., has been serving cerebral palsied children and adults of this area. It is a member of this council, which means that it has agreed to cooperate with other agencies to prevent waste and duplication of effort. It is a member agency of the Community Chest.

Within the past month, another organization, United Cerebral

Palsy Inc., with headquarters in New York, has sent representatives into San Diego with a view to establishing a branch here.

Representatives of both the Community Welfare Council and of the San Diego Cerebral Palsy Foundation, have protested that this step would mean setting up a competing and duplicating organization. It has also been pointed out that the people of San Diego have given no evidence of wanting a second agency and that the efforts to establish one reflect decisions taken by the national organization in New York.

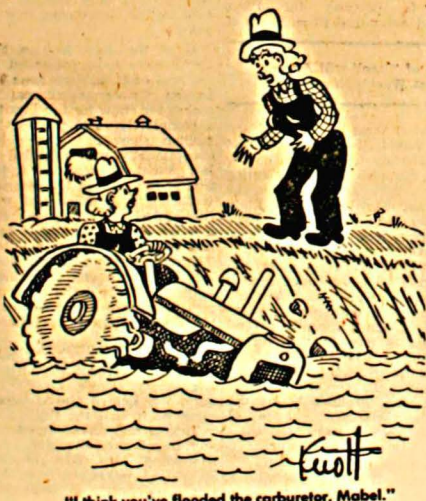

A telegram, an airmail letter, and a telephone call to New York headquarters have so far produced no reply. Meanwhile, the organizer, employed by the New York office, continues efforts to create a branch of the national

Diego a well-established and active Cerebral Palsy Foundation and that this action be widely publicized."

We also understand that the board of directors of the Cerebral Palsy Foundation of San Diego has voted unanimously to reject affiliation with the national organization.

The position of the Community Welfare Council in this matter is that one agency devoted to cerebral palsy is enough in San Diego. While the desire of a national agency to increase its scope and raise more money is natural enough, the council feels that the people of San Diego are more concerned about efficiency and local autonomy than they are about the prosperity of an agency centered in New York.

Sincerely yours,
Lucius W. Johnson, M.D.
President

Editor: Sir,

Can you stand success? Can you get up and speak before any group without any preparation? You can prepare for both by being a Toastmaster. Every Toastmaster Club is limited to 30 active male members to permit more frequent opportunities to speak for each member. Toastmasters International, the fastest growing organization in the world, can train you to become

not only a good speaker but to become an impressive executive.

This is an invitation to all male citizens over 21 years of age in Lemon Grove to form a local branch of the organization which is forming one new club every weekday in the year. Many no doubt have heard about this organization over the radio and have wanted to learn more about it. You are cordially invited to communicate with the writer by phone at AT 4-5116 or by letter at 2644 Teresita Street, San Diego 4.

As the deputy governor of Area 8, which includes El Cajon, Mt. Helix, Sweetwater (Chula Vista) and National City I am happy to visit with any group of men wish-

ing to learn how to form a Lemon Grove Toastmaster Club. Even the editor of this publication has indicated that he would be glad to join such a club. The meeting is up to the members of the club and is not dictated by either the national headquarters or the District 5 organization. It is more desirable to form the club of all new members without robbing the existing clubs of their members.

Sincerely,

Robert J. McPherson
You can count on me. My problem is a little different. I don't need to be taught how to stand up and talk ... I need to know how to sit down and shut up. Ed.

Those registered were Jo Zeides, Diane Galan, Bernie Strong, Susan Hobson, Bill Gregory and Al Skowronek.

Twenty-four Methodist churches from Hemet to Imperial Valley—the district conference—sent teenage and adult counselors to attend the all day session. Lunch was served in the college cafeteria.

Eight San Diego area churches represented included Lemon Grove, La Mesa, Santee, Coronado, Pacific Beach, Point Loma, and Trinity and Asbury Methodist Churches, San Diego.

Ray Jordan, San Diego, is president of the Youth Council for the district, and Mr. and Mrs. Harry Shiersen are adult counselors for the district council.

Parade, Pageant To Be Part of State Homecoming

A float parade, football game and dance are all part of Saturday's State College Homecoming festivities open to the public.

Twenty floats and seven bands will start down El Cajon Blvd. at 12 noon from Oregon to 37th St. To fit the parade theme of "Monty Goes International," each float is based upon a different foreign country. "Monty" refers to Montezuma, leader of the Aztecs, the name adopted by State College students.

Besides the SDSC marching band, other bands providing parade music will be the Helix High School Highlanders, Bonham Brothers' boys' band, Hoover High School, the Shriners' marching unit with an oriental band and clowns, El Cajon High School and Campbell's bagpipe band.

San Francisco State College will play the Aztecs at 2:15 p.m. in the campus stadium. The Homecoming queen and her four attendants will be presented at half time.

Saturday night the band of Willie Welch will play from 9 p.m. to 1 a.m. for the annual Homecoming dance, to be held in the Don Room of the El Cortez Hotel. President Malcolm Love and parade marshal John Rand will present float trophies during the dance.

HUNTERS SAFETY AND FIREARMS CLASS OPENS AT HELIX

Only unkempt more days to Christmas, so goes the droning chant of the merchants. Oh well, it's pretty far off.

Or is it? Holy cow, it's a lot closer than we thought! We had better build a fire under ourselves and tell you about all the merchandise we squeezed into our rumble rubber shelving.

Our store really is bursting at the seams right now and you'd do well to come in and make your selection while there is plenty to choose from.

Did you see the beautiful doll that the Business Women's League have dressed up in such costly finery. If not, then a treat is in store for you.

No Millinery Store In the Grove?

Lady Needs a NEW HAT

A charming lady friend of ours said Monday, "Dick, why don't you get a millinery store to come to Lemon Grove? I have to have a black hat to wear to my husband's uncle's funeral Thursday, and I'll have to go to San Diego or La Mesa to get it. Stores in the Grove don't carry women's headgear."

So this reporter made some inquiries as to millinery. "Why don't we have a millinery store here?" I asked another lady friend. She said "Because the ladies don't want all the other gals in town to know how much she paid. We had a millinery shop here and it did quite well. Don't know why they quit."

Still another lady said "Women don't wear hats any more. They have cars and wear dark glasses. Look, there are three ladies, all without hats. And the teenagers wear scarfs."

Personally, this reporter likes to see hats on pretty ladies. And sometimes, when the hats are becoming, we step up and tell 'em. Never got a cross look yet.—D.H.

BILL DEAN TO TRY AGAIN

Bill Dean and five friends, who went way up in Idaho a couple of weeks ago to get a bear or an elk or a deer, returned last week. Two members of the party got an elk each, one elk with enormous antlers that wouldn't go thru the door, but the other boys didn't get any big game. All got plenty of grouse and fish. They could get the grouses with a stick.

Bill Dean was so sore at failing to get a big something that he

hooked a trailer to his car and took supplies and Mrs. Dean to Utah, where there are plenty of deer, according to report. Mrs. Dean is reputed to be a good camp cook and to love the outdoor life. We hope Bill gets his limit this time.

GAS AND ELECTRIC CREW IMPROVE SERVICE

A crew of men and a big truck standing by have been working on the pole in front of the Review office for three days, finished up Monday. Asked if they didn't have any other place to work, the driver of the truck responded pleasantly that they had been putting up cross arms, installing transformers and had put in a telephone communication line for the police department.

"You will be seeing a lot of cops around here, maybe," the man said.

It developed that the transformers were installed to correct a trouble in Pal's Restaurant, next to our office. "Every time a nickel was dropped in the nickelodeon the lights went out." We thought at first the boys were

running more wires into the Review office.—D. H.

PLANE LANDS ON TRUCK

OROFINO, Idaho—Merel Bowler, 45-year-old pilot of a light plane, was letting his plane down for a routine landing. Instead of hitting the landing strip, the plane landed, piggy-back-style, on top of a truck. The truck driver, Lloyd Coons, 27, said he was not aware of what had happened until a wing of the plane tipped and he saw the shadow. No one was hurt and damage to the plane and truck was surprisingly light.

Last spring Uecker was graduated from Grossmont High School where he was cheerleader, vice president of the Dukes, a member of the Red Robe choir and the basketball and track squads.

Dear Mr. Fixit

Re dirty water from LM SV LG Irrigation District. Many times I have run water in the tub for bathing purposes and it has been so muddy I question the advisability of bathing—however I find that the water is considerably cleaner after I get out—where does the dirt go?

G. Gardner
P. S. This happens frequently—as far as I know there is no work going on in the streets, or on our water main... perhaps I'd better investigate my own pipe system.

Dear Mr. Gardner,
You lead a clean life.
Mebbe you need new pipes on your street.

We get lotsa "dirty" water at our house, too.

Mr. Fixit

Dear Mr. Fixit:

I'm happy you offer me this opportunity to air my pet "peeve" and therefore get it out of my system. Chances are, no one else is overly concerned about this, yet it bothers me. It is like one of those microscopic splinters I get in my thumb once in a while; it isn't doing any harm, it's best to ignore it, but somehow I just can't forget it.

My gripe is in regards to the inconsistency of the signs on Cypress. The street starts sedately off of Central as Cypress Avenue, repeats itself at Burnell; then, as it reaches San Miguel, it suddenly becomes Cypress Street (according to the sign). This lasts one block till it crosses the tracks and hits Imperial.

All at once, as it starts up the hill to Monterey Heights, it becomes an avenue again and continues as such until it ends at Alton Drive. In fact, Imperial Avenue has a Cypress sign on each side of it; one saying Cypress Street, while the other says Cypress Avenue.

If the powers that be decide to make the signs all read the same, I hope they retain the "Avenue" title. It rolls off my tongue more smoothly.

Incidentally, there are no houses on the brief block during which Cypress is a street, while the avenue section is well populated; hence no resident would have to change his address.

There, I feel better already. I hope the other "gripes" are no

more serious than mine.
Yours truly,
Mrs. Doris Bostwick
2880 Cypress Avenue

Dear Mrs. Bostwick,

I put your squawk in with the county road department and J. B. Dobbins, traffic analyst for the department, said that the legal maps read as the signs indicate.

He promised, however, to have the legal changes made and make the whole string read "avenue" before another week has passed.

He agreed with me that "avenue" sounds better. That's probably the reason they decided on that change back in 1941, he said.

Mr. Fixit

Mr. Fixit

Dear Sir:

Last week "they" were at it again. A traffic tabulator was stretched across Imperial between Lincoln and Palm for the umpteenth time since I moved to Monterey Heights over four years ago.

I can see that a traffic count would be desirable before a stretch of road warranted improving, widening, or even resurfacing, but if "they" are not going to do any of these why count the traffic?

True, Imperial received a sand bath this summer, but I don't consider that a resurfacing job. When are "they" going to put "islands" in at Palm, Cypress and San Miguel to separate the flow of traffic in and out of Imperial? A warning light has been installed at this junction, which is a big help. When will "they" install a stop light?

Sincerely,
Richard G. Spry

P. S. I hope you got in plenty of licks on the "aggravers" who opposed incorporation solely on the basis of predicted increased costs when power rates for unincorporated areas recently went up double those for incorporated towns.

Dear Mr. Spry,
Some more state stuff, Mr. Spry. Takes a lot of figuring for the "highwaymen" to get busy.

Stop lights are very hard to get. The traffic count has to be way up and some fatal accidents are necessary before "the brass" will put a light in. It took La Mesa about ten years to get a signal installed at Palm and La

Goodbody Family on Sick List: Doctor on Stand-by Basis

The Bob Goodbody family, 8533 Imperial Ave., has had their doctor on a stand-by basis for the past six weeks, with colds and possible pneumonia for Mrs. G. and the two girls and Captain Bob in San Francisco for a check up with the medical examining board.

Bob was a captain in the Air Force in the late war, flying and bombing and all that there, contracted to and was definitely "out," with 100% disability and 100% pension. This latest examination found a different verdict, three of the medicos each having a different opinion. One doctor thought Bob was 100% okay, another disagreed and the third was kinda on the fence. So after three weeks of tests, Bob came home and will wait to hear from Washington whether his pension will be cut to 10% or will remain on the present deal. Meanwhile, Bob is building up a business of his own. He says his present status makes insurance hard to get.

So, after battling with the hospital doctors for nearly a month, Bob came home to find, as he had suspected from telephone conversations with the lady, that Mrs. G. and the girls were under the weather, with flu and colds giving them a bad time.

Happily they are all on the mend—D. H.

WE HAVE SIX NEW GIRLS in the local Telephone Office, and we thought you might like to meet them. They are, left to right: Thea Wertis, Janice Cheromiah, Donna Hatch, Dolores Stanford and Marjorie Cullum. The sixth, Debby Evert, was not able to be in the picture. Housewife rates her telephone "tops"

"Of all my household items," says Mrs. F. G. Dominey, "I think my telephone is the most useful. I can't count all the ways I depend on it. For example, I do a lot of my shopping by phone. Then there are the calls for repairsmen, to make appointments, to round up my youngsters in the neighborhood, and for a hundred and one other things. And that doesn't include all the pleasure our phone brings us...as a fast, easy way to visit friends and relatives. I certainly don't know what we'd do without it." Most people we've talked to agree with Mrs. Dominey about the usefulness of the telephone. Isn't it true that few things which serve so well cost so little? Pacific Telephone works to make your telephone a bigger value every day.

Enjoy a family visit in several cities at once by long distance

Did you know you can actually talk to several members of your family at the same time by long distance? Well, you can, even if they're scattered all over the country. Each of you can talk back and forth to the rest as if you were all in the same room. We call this a telephone conference call. To place one, just tell your operator the people you want to talk to, where they live, their phone numbers, and when you want to talk. She'll do the rest. You'll be pleasantly surprised at how little it costs, especially if you call after 6 p.m. in the evening or any time Sunday. Why not give your whole family a real surprise with a conference call tonight?

VLMPA Carnival. After Hard, Dirty Work, is Ready

By MRS. H. K. THURSLUND
No matter what you plan to do — go grocery shopping, rock hunting, searching for bric-a-brac, seeking garden plants and flowers, selecting doll clothes and aprons, or just dining out—you'll do it better at the Vista La Mesa Parent-Teacher Association Halloween Carnival Monday evening, October 31.

The groceries you'll find in the Country Store, brought in for sale; the rocks at the rock and mineral booth promise to be of real interest to junior rock-hounds, the bric-a-brac will be found in the white elephant booth.

If you're landscaping your home, browse through the garden shop—it is full of surprises: the creations in the doll clothes and apron booths are the envy of Paris designers, and the food served in the Cafetorium is of gourmet's choice — hamburgers, hot dogs, chili beans and pie a la mode—all at amazingly low prices.

You won't believe it till you see it—the booths will be packed with surprises for all. You won't even see the merchandise in some of the booths unless you arrive early, for it melts away "like snow before the summer sun." However, the rest of the booths will go on at a merry clip until closing time.

Waiting on you will be the Parent-Teacher mothers, who do an incredible amount of hard, dirty work to get ready for the annual event. Also assisting will be the fathers, who have come to accept the carnival as an unavoidable as death and taxes.

Carnival chairmen, Mr. and Mrs. Kenneth Trytten, deserve much credit for the expert leadership which they have given the affair. Also to be thanked are the fathers who will install the booths, Saturday and Sunday preceding the affair.

The faculty is manning the fun house which gives forth every promise of being full of creeps and thrills.

Wear comfortable shoes, because you'll stay longer than you intend to, take plenty of small change, because you'll find lots of things you hadn't known you needed until now.

Remember — food and game booths open at 5 p.m. Seymour Metzner will emcee the costume parade at 6:30 p.m. Each costumed participant in the parade will receive a small favor.

Cake walk in the Cafetorium at 7:30 p.m.

Each child in the school will receive a ticket for a free game in one of the many and varied game booths.

The date again—Monday evening, October 31. A welcome is extended to one and all.

Let us keep our children off the street on Halloween. Attend

the carnival of the school in your area. This is the primary purpose of the affairs.

Dr. Jones' Brother Passes in Pasadena

Dr. Elmer Lloyd Jones of Trinity Presbyterian Church was called to Pasadena this past week by the passing of his brother, Robert Everett Jones, who was the fourth child in a family of six. He leaves besides his brothers and sisters, his wife and twin daughters, seniors in high school, who plan to become nurses after graduation.

The Women's Association of Trinity is having a family dinner November 3, 6:30 p.m. Friends and neighbors of Trinity are cordially invited, come and bring the whole family. Adults \$1.25, children 6 to 12, 75 cents and children under 6 free. Tickets will be available in the foyer next Sunday morning.

Sunday night, November 6, at 5:30 p.m., a dessert will be served for the entire family in Fellowship Hall. From six to seven programs will be provided for young folks of all ages while the adults gather in the sanctuary for an excellent film.

RESOLUTION OF INTENTION

WHEREAS, the reports prepared pursuant to Division 4 of the Streets and Highways Code (Special Assessment Investigation Limitation and Majority Project Act of 1931) covering a proposed street improvement, to-wit: grading and the installation of concrete curbs and drainage structures in PAULA STREET et al in LEMON GROVE, Area No. 39, Road Improvement District

WHEREAS, on August 23, 1955, pursuant to said Division 4, the Board of Supervisors of the County of San Diego adopted a resolution by not less than four-fifths vote of all members that the lands to be assessed will be able to carry the burden of the proposed assessments and that the limitations on the amount of assessments may be exceeded and dispensed with both with respect to the limitations as to the district as a whole and as to individual specific assessments; and

WHEREAS, the Board of Supervisors has designated the County Surveyor of the County of San Diego as the Superintendent of Streets and the Engineer to perform any and all duties conferred upon the Superintendent of Streets or the Engineer by the Improvement Act of 1911 in connection with the work and improvement and assessment hereinafter described; NOW THEREFORE,

On motion of Supervisor Bird, seconded by Supervisor Austin,

IT IS HEREBY RESOLVED that public interest and convenience require and it is the intention of the Board of Supervisors of the County of San Diego (hereinafter referred to as the Board of Supervisors) to order the following work to be done and improvement to be made, to-wit: grading and the installation of concrete curbs and drainage structures in

PAULA STREET—That portion of Paula Street lying between the north line of Burgeen Acres, according to Map thereof No. 2408, filed in the Office of the Recorder of the County of San Diego, and the westerly prolongation of the south line of Lot 9 in Pearson Terrace, according to Map thereof No. 2797, filed in said Recorder's Office.

HOFFMAN AVENUE—That portion of Hoffman Avenue lying south of said north line of Burgeen Acres, and lying easterly of the northerly prolongation of the west line of Lot 4 in Block 1 of said subdivision, and lying westerly of the northerly prolongation of the east line of Lot 1 in Block 2 of said subdivision.

PEARSON STREET—That portion of Pearson Street lying easterly of the southerly prolongation of the west line of Lot 11 in Block 1 of said Burgeen Acres, and lying westerly of the southerly prolongation of the easterly line of Lot 10 in Block 2 of said subdivision.

All of the said work hereinafter generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as shown upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefore, contained in Document No. 188429, on file in the office of the Clerk of said Board of Supervisors, and copies of which are on file in the office of said Engineer, and by this reference thereto, all said plans, profiles, drawings, typical cross-sections and specifications are made a part hereof.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of twenty-five dollars or more remaining unpaid after the full expiration of thirty days from the date of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine years from the second day of January next succeeding the date of the next October 15th following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next October 15th after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest are paid. Said bonds shall be issued and the principal and interest thereof shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinafter mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary public benefit, and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to-wit: All that real property in the County of San Diego included within the exterior boundary lines of said district, as shown upon that certain map bearing number RID 6008, indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of

Supervisors of the County of San Diego as Document No. 181326, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to said map for a particular description of such district.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 8th day of November, 1955, at 2:00 o'clock p.m., in the chambers of said Board of Supervisors of the County of San Diego, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing, and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 308 of said City and County Administration Building, not later than the hour hereinabove set for hearing. No other protests or objections will be considered.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Lemon Grove Review, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in each quarter block or irregular block liable to be assessed, and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

Scoutmaster of Troop 168 Moves to Lemon Grove

Mike Krauss, long-time Spring Valley resident, Scoutmaster of Troop 168 sponsored by Men's Club of St. John of the Cross Church—the troop has 30 members—has moved to Lemon Grove but retains his Troop 168 mastership.

Mike worked for the Chesapeake and Ohio R. R. for 33 years, 30 of said years as passenger conductor. He is fond of children and when a tired mother with a baby needed help, he would take the kid to the other end of the car, give it whatever attention it needed and carry it back to the mother. Says it didn't make any difference to him if the kid was white or black or dirty, he took care of 'em.

(It occurs to us that Mike would make a good baby-sitter.)

Mike is in the California National Guard Reserves, ready and eager to battle if called on. He is 71 years young, in good health and spry as a kid.

Mike came into the Homeland Publishing Company's office, on Lester Street, to have his address changed from Spring Valley to Lemon Grove. He decided that since he had moved he would subscribe to the LEMON GROVE REVIEW, and did so, and will keep up with the news in both places.

If YOU want to subscribe to either paper, or both, just phone in your name and address and tell the young lady who answers—it might even be Max himself—and we will start your paper and bill you within three months, gladly. Only \$2.50 the year per each. You might give us a couple of news items, at the same time. The phone number is HO 9-0101. —D. H.

Masons to Mark First Annual York Rite Festival

"The First Annual York Rite Festival will be held in the Masonic Temple at 350 Cedar Street in San Diego from Thursday through Saturday, November 10-12," announced Luie B. Butterfield, chairman of the unusual event and a Past Grand High Priest of the Grand Chapter of Royal Arch Masons in California.

The Masonic Degrees from the Mark Master of the Royal Arch Chapter through the Order of the Temple of the Commandery which are to be presented have been arranged by the newly organized York Rite Coordinating Council of San Diego and Imperial Counties under the leadership of Irvin S. Gross, president. Petitions for these degrees may still be submitted by Master Masons to their local York Rite bodies or to the York Rite Coordinating Council.

San Diego Commandery No. 25 will be the hosts on Friday, November 4, to the candidates of the York Rite Festival and any other of the Master Masons and their ladies for a Commandery Ball. Irvin S. Gross, who also serves as commander of the hosts Knights Templar, has scheduled the ball for 8 p.m. at the Balboa Park Club. The Grand March will be held at 9 p.m. Admission will be by any 1955 Masonic dues card.

The Masonic organizations participating in the York Rite Coordinating Council of San Diego and Imperial Counties are the Royal Arch Chapters of San Diego No. 61, El Centro No. 109, Tyre No. 130, Darius No. 143, and El Capital No. 149; the Council of Royal and Select Masters of San Diego No. 149; and the commanderies of Knights Templar of San Diego No. 25, Imperial Valley No. 54, and Harmony No. 71.

The especially selected casts to present the Royal Arch Degrees will be from the White Stone Association, which includes all of the Royal Arch chapters in the two counties to confer the Mark Master Degree; San Diego No. 61 to present the Past Master Degree, Darius No. 143 to confer their amplified form of the Most Excellent Master's Degree, nationally known as the Mt. Helix Degree, and the White Stone Association to combine for the Royal Arch Degree. The San Diego Council No. 23 will present the Royal Master, Select Master, and the Super Excellent Master degrees to the classes of candidates. Combined teams from the commanderies of San Diego No. 25, Imperial Valley No. 54, and Harmony No. 71 will confer the Orders of the Red Cross, Malta, and the Temple.

Masonic leaders from all points in California are expected to attend this First Annual York Rite Festival in San Diego's Masonic Temple.

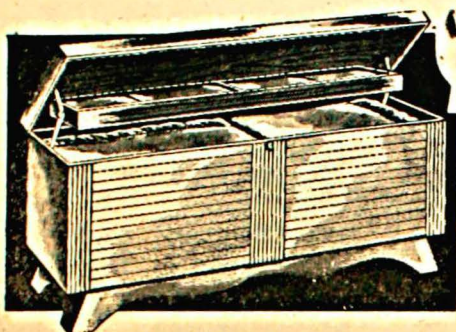

GOOD SAMARITAN TURNS ROBBER

SANDWICH, Illinois—Robert Dieterline had a flat tire on a highway near here and an unidentified motorist stopped to help. After they had repaired the tire and replaced it on the automobile, the "Good Samaritan" kicked Dieterline in the stomach and took his wallet containing \$270. Dieterline scribbled the license number of the fleeing auto on a towel but couldn't read his scribbling when he went to police to report the robbery.
